Professional Summary:

To work in a professionally satisfying environment and be a useful member to the Institution thus achieve career growth and be part of overall organisational growth with my professional and interpersonal skills.

Professional Experience:

Assistant Professor

Organisation : Spurthy College of Pharmacy

Jul 2021 - Dec 2023

- Teaching academic subjects with utmost dedication and contributing in overall institution results.
- Communicating with each students , understanding their skills and learning curves and make better plan for each of them.
- Along with academic subjects I also encourage students to take up skills oriented courses which helps them in getting rightful career.
- Also involved in self learning and research work. With this I published two articles in International Journals.
- Also involved in conducting semester exam duties as deputy chief. Making sure that the exam process goes smooth and hassle free.

Assistant Professor

Organisation : KLE College of Pharmacy

Jul 2019 - July 2021

- Documenting the yearly planning for the academics and getting approval from the principal to proceed with the subjects.
- Each day will be new learning for the teaching, will be ready to take up all students queries and give them correct answers.
- Completing subjects before the timeline and preparing students for the university exams and competitive world.
- Keeping an eye on each student's learning ability and taking sufficient time to make each one of them understand the subject.
- Apart from academics, also involved in **Accreditation work for Organization.**
- With my knowledge and work ability , I was chosen to be part of the document preparing team for **National Board of Accreditation (NBA) , NIRF & NAAC** approvals.
- Involved in organising Workshops, Seminars & students mentorship.

Assistant Professor

Organisation : Shree Devi College of Pharmacy

Jul 2017 - May 2019

- Started my teaching profession with Shree Devi College of Pharmacy.
- Got an opportunity to work with supportive faculties and a good kick start to my teaching career.
- Understanding the subjects and academics for the batch of students.
- Got an opportunity to work for the Cultural & Women Empower committee.
- Preparing practical record books for students and preparing them for university exams.

Projects Carried Out

Synthesis and Characterization of Novel Pyrrolyl 1,3, 4-Oxadiazole derivatives.

This project focused on studying the anti-bacterial properties by synthesizing various derivatives of Pyrrolyl 1,3,4-Oxadiazole using different aldehydes condensed with semicarbazide.

The outcome of the project is as followed :

- Found 2 new compounds namely : 5C and 5F
- These two were found active against gram negative bacteria
- Practical yield was 84.23%

Academic Details
